[Read Customer Reviews](#)

Drawstring closure

Premium Material: quick-drying, breathable polyester. Come with mesh side panels and moisture wicking sweat band, greatly makes your head cool and ventilated.

Suitable for head circumferences of 19-21 inches, ideal for many kids age 3-9. Even suitable for adults with small head circumference. Elastic buckle behind women fishing hat is for adjusting to fit your head size

Ponytail Design: Our ponytail hat is designed with a ponytail hole on the Back brain spoon of the hat, which is perfect for pulling your messy bun or ponytail. The buttons on both sides of bucket hat can give you more different styles. Inside of the hat is a breathable mesh layer, which can greatly improve cooling, comfortable and airflow.

Wide-brimmed Hat: 2.7 inches Large Wide brim ,can effectively help protecting from the sun harmful rays. Come with mesh side panels and moisture wicking sweat band, greatly makes your head cool and ventilated.

Designed with a ponytail hole on the Back brain spoon of the hat, which is perfect for pulling your messy bun or ponytail.

Elastic buckle behind women fishing hat is for adjusting to fit your head size.

Detachable Chin Strap: An adjustable drawstring to help find the best fit. The chin strap protects the hat from blowing away in the wind to make sure you could wear the bucket hats during the windy days or cruise.

The buttons on both sides of bucket hat can give you more different styles.

Inside of the hat is a breathable mesh layer, which can greatly improve cooling, comfortable and airflow.

Easily folded up into your handbag or beach tote. If you fold it for long time and make a little fold mark, you can blanch it with hot water and then dry it, or use iron and hair dryer make it returns to its original shape easily!
