Movement: Japanese quartz movement

Case material: double plated Stainless steel (316L)

Adjustable length: (min - Max) 6.3 - 7.9 inch Classic Cornwall 40mm

The Classic Collection

Embracing minimalist Scandinavian design principles, the Classic watch is made to look and feel featherlight. The metal bezel surrounding the dial is ultra-thin, and the case back is beveled to achieve a near-seamless profile. The Classic watch was the first to feature our signature twelve index dial, which has an ideal balance between the index markers and the hour hands for an overall elegant appearance.

All products are designed in Sweden

Japanese quartz movement

316L Stainless Steel - Silver plated or Rose Gold double-plated

Hardened mineral glass

Slim profile 6mm casing

Durable, water-resistant case up to 3 ATM

Leather and NATO band options give you endless looks for any occasion

#### Interchangeable Straps

Leather

Our leather bands are made of genuine leather and are available in a range of elegant brown, white and black shades.

Leather sourced from Florence, Italy Available in either Silver plated, or Rose-Gold double plated hardware

Nato

Our Nato bands are available in a range of solid colors and timeless color combinations.

Crafted from a polyester weave with a stitched thread construction

#### Compare Sizes

Aside from the size of the dial, the size of the watch casing may also be important to you. Above, from top down, is the 36mm and 40mm, shown on a female wrist on the left and a male wrist on the right.
