Style

A mix of timeless looks and fresh, fashion-forward designs means there's a slipper to fit every style.

Quality

Superior materials and innovative technologies ensure a level of fit and durability that only Dearfoams can deliver.

Made to Love

We're a small company with a lot of heart and a long history. In 1947, our founder turned her vision into reality when she brought the cloudlike comfort of foam to fashionable slippers. Many years later, our dedicated design team continues to create incredibly comfortable products that people love to wear.
