Dickies Active Waist pants are designed with a built-in expandable waist, offering greater comfort, mobility and a better fit. On the outside, they look just like other Dickies current styles, but with the added benefit of the Active Waist.

These Slim Taper X-Series Washed Performance Pants are perfect for dressing sharp while keeping comfortable. With a slim fit and tapered leg, you'll stay up to date with the modern fit. Comfort is key in these pants, made with a Flex fabric for easy mobility, working in tandem with the active waist for added comfort throughout any activity. Brushed for softness, you'll want to wear this pant on weekdays or weekends.
