

ELEGIANT 6.3" Selfie Ring Light with Clamp Mount for Desk, Bed, Office, Video Conferencing, Makeup, YouTube, Live Steam & Broadcast, 3 Dimmable Color & 10 Brightness Level, 360 Degrees Rotatable, Warm Review-2021

[Read Customer Reviews](#)

3 Color Lighting Mode & 11 Brightness Levelsâ€” ELEGANT LED ring light has 3 light colors - warm, warm white, white. Each lighting mode has 11 different brightnesses. Color temperature is adjustable from 2700k to 5500K. The bright colors can create a unique atmosphere and meet your various needs.

High-Quality Aluminum Alloy Design & Curved Light Coverâ€” Unlike other ring lights built with plastic, our light ring's back shell and clamp mount were constructed from sturdy yet remarkably lightweight aluminum alloy, offering good rigidity and excellent heat dissipation, which ensures more stable and flexible lighting effect. The curved LED light cover makes the light softer, more even and wider.

Stable Clamp & Hands-Free â€” Finally get the perfect lighting you need to create amazing photos and videos anywhere, just simply clip this selfie ring light on your bed, desk, office, conference table, and anywhere you desire.

USB Poweredâ€” Selfie light ring works with most devices that support USB port, like laptop, PC, power bank, USB charger, AC adapter, and etc.

Multi Usage â€” You will be able to make videos at night or take great Selfie pictures in dark areas with this ring light. It is a professional tool for creating live videos/recording with smartphone or computers, perfect for Video Conferencing, Makeup, Facebook, YouTube, Twitter, Snapchat, FaceTime, live. Please feel free to contact us if you need help as this one comes with 18 month warranty. ELEGANT 6.3 " Selfie Ring Light with Clamp Mount EGL-01, brings you more colors and brightness!

High Quality Material --- Compared to others made of plastic in market, our ELEGANT EGL-01 ring light has high quality material, the frame is made of aluminum and the lampshade is made of polypropylene, the curved LED light cover makes the light softer, more even and wider.

3 color lighting mode --- Warm, natural, cold.

10-Level Brightness Adjustable --- Optimize your lighting brightness as best.

72pcs LED Lamp Beads --- With 72 LED Lamp Beads, you can switch the color temperature from 2700K to 5500K.

Hand Free --- Clamp on table/desk/bed and rotate any angle to free your hands.

Multifunction --- Works both as photography ring light and table lamp, or even monolights.

Some tips:

1. When you plug it, the remote control blue light will on. Then please press ON/OFF button once quickly to turn the light on/OFF and don't press it for more than 2 seconds or ring light will not light on.

2. Plug the ring light into USB ports(5V).

360° Rotation Angle

Compare to other ring lights, our ring light adjustable tripod head provides 360° rotation angle, which can let you find the best angle to light your subject, makes your photograph or live streaming better.

Anti-Scratching Clamp

You can simply clamp the ring light on your desk/table/bed/chair etc. The clamp comes with soft foams to protect your furniture from scuffing. Stably clip on a furniture's thickness below 7 cm.

Convenient USB Supply

Works with most devices that support USB port(5V), like laptop, PC, power bank, USB charger, AC adapter, and etc. So it is very convenient to take it everywhere.
