Dimension: 16" diameter x 5" height

Benefits: We use high quality, made-to-last materials with the best buckwheat hulls so the cushion will not flatten overtime and will stay comfortable and supportive for years to come. Our meditation cushion is designed to be used during your mediation or yoga practices. It also can be simply used as a floor pillow or chair. Perfect as a meditation seat or meditation floor cushion for a peaceful and relaxing meditation. A perfect Christmas gift for your loved ones!

Use: Our meditation cushion set is the perfect yoga meditation cushion for yoga and meditation practitioners. Commonly known as a "zafu" or a round cushion, our zafu meditation cushion brings enough height and it is comfortable to sit on. The round meditation pillow allows the delicate curves of your spine to fall in to place for extended periods of comfortable sitting. Our extra large meditation floor pillow is perfect for your daily yoga routine or as a travel meditation cushion.

Design: Modeled after the traditional Japanese Zen meditation cushion, Florensi's meditation cushion design is inspired by the mandala lotus flower. The pattern of the flower represents connection, unity, compassion and growth. Comes with removable cover that is machine washable. Buckwheat hulls can be easily added or remove from their pouch inside the cushion to adjust pillow height 1" foam is added to provide extra comfort for extended yoga and meditation sessions.
