#### GIFTABLE TINS

Our watch tins are ready to gift or collect. We've spent decades perfecting our craft and creating watches that you'll love to wear and collect.

#### ABOUT THE MOVEMENT

Three-hand Quartz: This watch movement features a quartz crystal that oscillates when a current is applied to it. Multifunction: A Quartz movement with three separate sub-eyes for the day of the week, date of the month and 24-hour time. Chronograph: A multifunction watch with stopwatch functionality.

#### QUALITY MATERIALS

Our high-quality leather is known for its softness and ability to look good over time. Stainless steel bracelets are extremely durable and can last the lifetime of a watch with proper care. Silicone straps are waterproof and very comfortable to wear. Acetate watches are extremely durable and lightweight.

#### INTERCHANGEABLE WATCH BANDS

There's no better way to keep your favorite looks fresh than with our swappable, versatile watch straps. Our quick release pins allow you to change up your look as often as you like while maintaining your signature style.

#### WATER RESISTANT

3ATM: withstands splashes or brief immersion in water but not swimming or bathing

5 ATM: wearable around household sinks or while swimming in shallow water

10 ATM: suitable for bathing, swimming or snorkeling, but not scuba diving
