

Medtecs Disposable Face Mask, 3 layer Breathable Masks, CoverU Black 50pc Review-2021

[Read Customer Reviews](#)

ASTM Level 1 Protection 3 Layer Non-woven Fabric Mask

Comfortable Elastic Ear Loops & Bendable Nose Clip

Providing Full Protection For Both Public & Healthcare Settings

How to Wear Step 1, Wash your hands before putting on your mask. Step 2, Put it over your nose and mouth and secure it under your chin. Step 3, Try to fit it snugly against the sides of your face. Your Safety, Our Concern

Medtecs International Corporation Limited (Medtecs Group) is the professional supplier of personal protective equipment (PPE) and a trusted multi-national PPE stockpiling solutions provider to governments and group purchasing organizations around the world.

The Group commenced operations in the Philippines in 1989 and has since established a strong presence in the United States, Europe, and Asia Pacific. Medtecs currently is headquartered in Taipei, Taiwan.

Medtecs has offices and facilities strategically located in Taiwan, Cambodia, the Philippines, Singapore and China. In 2020, the Group incorporated Medtecs USA Corporation, its first subsidiary in the United States, for expansion into the local PPE and medical consumables market. Medtecs is dual-listed in Singapore and Taiwan. Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
