

# Motor Trend DualFlex All-Weather Rubber Floor Mats for Car, Truck, Van & SUV – Waterproof Front & Rear Liners with Drainage Channels & Two-Tone Sport Design Review-2021

[Read Customer Reviews](#)

**PROTECTION FROM SPILLS & MESSSES** â€“ Shield your car upholstery from stains, spills and everyday wear & tear with these waterproof floor mats. Our full set of front and rear all-weather floor liners feature multiple ridge patterns to help capture dirt, mud, slush and other debris that enter your vehicle.

**TWO-TONE SPORT DESIGN** â€“ Skip those basic black floor mats and give your car a new sense of style! Our DualFlex All-Weather Floor Mats are offered in a variety of colors to suit your unique tastes. They make it easy to add a splash of color and some style to any vehicle interior

**WONâ€™T MOVE OR SLIDE AROUND** â€“ Have peace of mind knowing that these mats will stay in place while you drive. Rubberized nibs on the bottom side help to keep things firmly in place during your daily commute. Ergonomic grooves on the top of each mat provide extra traction and comfort.

**TRIM TO A PERFECT FIT** â€“ Forget those overpriced custom-fit car floor liners! Our mats are made to be trimmed to a perfect fit for your vehicle using only a pair of scissors. Contour Guides make the trimming process quick and easy. Please check the dimensions of the mats before installation.

**LONG LASTING DURABILITY** â€“ Making an investment to protect your new car or truck is easy with our floor mats. We use only advanced performance rubber polymers that are tested in extreme conditions to ensure they don't crack, split or deform over time. Your satisfaction is !At BDK Auto, our mission is to enhance the style and functionality of your automobile with innovative & exclusive products designed by our team in California.

Our story

How we got our start?

Founded in 1990, our original vision was to create high performance products that offer unique value and in-trend style. 30 years later now, these core values still hold true and drive us to deliver high-quality automotive accessories across the world.

What makes our product unique?

Our Los Angeles based design team is made up of product designers with years of experience in the automotive field. They constantly evaluate new processes and technologies using advanced R&D methods, keeping us at the forefront of emerging trends and helping us to offer the best products possible.

Why we love what we do?

Because we love to see our customers happy! You deserve nothing less than to be absolutely thrilled with your purchase, and our USA-based support team is here to ensure thatâ€™s the case. Review 2021, feedback 2021, promo code, discount code 2021, buy, picture, description, sale, price comparison, cheap, cheapest, value for money.
