

## Philips Avent 3-in-1 Electric Steam Sterilizer for Baby Bottles, Pacifiers, Cups and More Review-2021

[Read Customer Reviews](#)

Uses natural steam to sterilize baby bottles and other baby products, killing 99.9% of germs and bacteria without chemicals

Sterilizes in just 6 minutes; then automatically shuts off for energy savings and safety

3-in-1 adjustable modular design fits a variety of bottles, pacifiers, pumps and accessories and takes up minimal countertop space

Holds up to 6 Philips Avent bottles at once; compatible with both standard and wide neck bottles

Keeps contents sterile and ready for their next use for up to 24 hours if the lid is unopened  
A Mother & Childcare brand recommended by moms worldwide, Philips Avent prides itself on providing innovative baby products. For over thirty years, we've worked hand-in-hand with healthcare professionals, clinicians and moms on a full range, from breastfeeding to bottle feeding products, pacifiers and toddler cups. Philips Avent is here to help you build a healthy start for a happy baby!

Convenient and effective sterilization

Flexible, easy loading

With its adjustable size, the Philips Avent 3-in-1 electric steam sterilizer takes up little valuable kitchen space, yet perfectly fits the baby items you want to sterilize.

Kills 99.9% of harmful germs

Sterilizes in 6 minutes

Fits 6 Philips Avent bottles

Adjustable 3-in-1 design

Flexible 3-in-1 design

Unique modular design allows you to fit bottles and accessories flexibly, and load, organize and unload them easily

Natural steam sterilizing

Sterilizer uses natural steam to sterilize baby bottles and other products, eliminating 99.9% of harmful germs without chemicals

Fast sterilization

Sterilizing cycle lasts just 6 minutes; after this time, the sterilizer automatically shuts off for safety
