

Shoes for Crews Revolution II, Women's Slip Resistant Food Service Work Sneaker Review-2021

[Read Customer Reviews](#)

100% Leather and Textile

Imported

Rubber sole

Shaft measures approximately low-top from arch

LOW SNEAKERS: Up your work game with our high class sneakers. Inspired by performance athletic styles, with addition of slip resistance and ventilated lightweight design, we make every step easier.

WATER RESISTANT: Treated to repel liquids from the surface, our comfortable shoes have removable cushioned sole. We ensure reduced trip hazard to allow fluid movement between slippery environments.

ATHLETIC SHOES: We offer shoes that are lightweight, ventilated & water resistant. Giving you a large selection of women's athletic slip-resistant work shoes and sneakers, we ensure comfort & style. Revolution II

Description and features:

Say you want one, this Revolution uses airbags, natural fit and extra built-in cushioning to deliver more comfort, and TripGuard and slip-resistant Zone Traction to keep you safe and stable.
