[Apple MFi Certified]: With Apple's upgraded C89 connector and smart chip, Syncwire Lightning cable ensures 100% high speed charge and sync compatibility with iPhone 12/11/X/XS/XS Max/XR/8/8 Plus/7/7 Plus/6s/6s Plus/6/6 Plus/SE/5S/5C/5, iPad Pro, iPad (6th / 5th / 4th / 3th / 2th generation), iPad, iPad mini 4 / 3 / 2, iPad mini, iPad Air 2, iPad Air, iPod Touch (6th / 5th generation) and the latest iOS system.

[6X STRONGER TERMINAL]: Upgraded aluminum alloy parts with secondary polishing oxidation technology, which can ensure the tighter connection which fits well even with a protective case on and will never loose connection. Charging and sync two-in-one with one lightning iPhone charger cable, multiple shields promise more stable charging current and no signal interference with data transmission.

[Revolutionary Durability]: Made with extremely durable bulletproof fiber and highly elastic TPE material, and covered with premium double-braided nylon jacket, the iPhone cord can withstand over 30, 000 times of bending and hold up to 88 pounds (40kg), The lightning end can be applied 15kg vertically without broken.

[High Speed Charging & Sync]: High purity tinned copper wires make charging faster and more stable, ensuring a maximum charging speed up to 2. 4A, 20% faster than other iPhone cables. Encrypted braided + aluminum foil double-layer shield aims for data transmission stability and keeping your Apple devices completely safe.

[36-month Warranty ]: Friendly 36-month support without any other costs needed. Fast and easy-to-reach customer service to solve your problems within 24 hours. Laser-welded Connector Seamless laser-welded connectors allow for more precise results than typical welding done by other heat source. The lightning end can be applied 15kg vertically without broken.

High Speed Charging & Sync

Ensure fast charging speed up to 2.4A and stable data transfer. The cable is made of high quality tinned copper and power cord, and covered with special insulation material to reduce the risk of short circuit.

About US

A company founded in 2015 dedicated to the development of exceptional quality products ranging from mobile phone accessories to wearable devices.

We design products that stand out in the market yielding distinctive beauty and serve long lasting value.

Upgraded C89 Apple MFi Certified Lightning Cable 6ft

Apple MFi (Made for iPhone, iPad, and iPod) certification ensures complete charge and sync compatibility with your Apple device. Simply connect the Lightning adapter to your Apple device and the USB end into a wall adapter or USB hub to charge or into your computer to sync data.

Military Grade Material and Nylon Tangle-free Design

Strong military fiber, the most flexible, powerful and durable material, make tensile force increased by 200%. Premium nylon braided adds additional durability and tangle free with 30000+ bend lifespan.

Durable Nylon Braided & Thicker Copper Wires

Premium nylon braided lighting cable adds additional durability and tangle free. Instead of plastics or Polycarbonate, the cable uses a unique nylon braided for its protective cover. Wound tightly around the cord, the high-tensile nylon fiber cloth offers superior strength and a bit of flexibility.

Useful Sticky Buckles for Storage

With the sticky buckles to keep the cable organized when you don't want to use that length sometimes. Also to keep it neatly folded or rolled up for storage.
