HAPPY MOTHERS TO BEE

Cute, comfy, simple for my wedding

I had a very small and simple wedding while pregnant. I didn't want to spend the money and time on a super extravagant dress that I would only wear once, so I tried this gem out. It is SO perfect! The color is very earthy yet bold and I got many compliments on how it gave me a classy 20's vibe.

Buttery soft & great for breastfeeding, too!

Buttery soft material! I can't wait to wear this at my baby shower. The elastic is a little scratchy, but not terrible. I didn't want the dress super tight/stretch and the large fit perfectly. I am 32 weeks here and I weigh 193lbs

I loved it

I loved it! It fit great. It was a little too long, but I'm short, so that was expected

Nice Maternity Basic

This dress was better than I expected. It fit perfect, was snug in the right areas, and extremely soft. I got so many compliments and it was very comfortable.

## ABOUT MOTHER BEE

### OUR BRAND

We established our California based business in 2010 with one goal in mind. To provide high quality Maternity Apparel at affordable prices. Through out the years we have strived to provide the latest trends using highest quality fabrics and provide a superior customer experience. We appreciate the incredible journey of pregnancy and hope that we can make you a happy MOTHER to BEE.

### OUR PROMISE

We believe that the quality and comfort of clothing, especially maternity wear are the foundation upon which style and uniqueness can stand on, and in no form can they be sacrificed. With this belief at the forefront of our designs, we are proud of our efforts to use only the most soft and stretchy materials, which are also all proudly sourced and manufactured right here in Southern California.

### OUR COMMITMENT TO YOU

As we promised to design and manufacture only the best quality maternity wear, we have further committed ourselves to our customers, as we stand by our products and will replace or accommodate customers in the case of their receipt of a faulty piece of clothing. With this commitment, we have founded a dedicated team of customer care professionals, with a mission to provide each and every customer with the highest level of customer care and satisfaction.
