X-ACTO School Pro Classroom Electric Pencil Sharpener

Engineered and designed specifically for classroom use, the X-ACTO School Pro Classroom Electric Pencil Sharpener combines smart sharpening technology with rugged construction for dependable performance. This sharpener utilizes a flyaway helical cutter to efficiently sharpen pencils to rounded tips without oversharpening. A powerful and electric motor quietly delivers reliable sharpening power, while an Auto-Reset feature helps prevent overheating. Adjustable for six pencil sizes, the X-ACTO School Pro Classroom Electric Pencil Sharpener is made to serve classrooms needs.

What's in the Box:

X-ACTO School Pro Classroom Electric Pencil Sharpener, Heavy Duty

Automatically Stops When Pencil is Sharp

The X-ACTO flyaway steel helical cutter system in this sharpener is engineered for precision and durability. This cutter offers blade life that is 33 times longer than a standard sharpener* without requiring regular maintenance. The patented flyaway cutter system automatically stops sharpening when pencils are sharp, reducing waste.

*33 times longer than the X-ACTO W19505 Razor Blade Pencil Sharpener.

Quiet, Dependable Construction Ideal for Schools

The heavy-duty electric motor of the X-ACTO School Pro Classroom Sharpener produces reliable power for consistent performance in busy environments. This sharpener has a tough outer case that resists damage and is engineered for quiet performance to limit classroom disturbance while in use. The sharpener also features non-skid feet that help it stay in place during use while simultaneously reducing noise.

User-Friendly Design Suits Any Classroom

Adjustable for six pencil sizes, this sharpener can handle everything from beginner pencils to colored pencils with ease. Shavings are caught in an extra-large integrated receptacle for easy cleanup. Auto-Reset functionality stops the sharpener when it is in danger of overheating, while SafeStart ensures the sharpener will not start if the shaving receptacle is removed.
